TONIGHT'S SPECIAL AUCTION

This evening, we will hold a special auction to support the C&O Canal National Historical Park's Canal Classrooms program.

Canal Classrooms provides hands-on learning of science, technology, engineering, arts, and math (STEAM) concepts, using the unique natural, historical, and cultural resources of the Park. Lessons are delivered by retired teachers who are trained members of the Canal Classrooms Corps. Fully-funded bus scholarships ensure that every school can participate.

Over the past five years, the program has served over 47,000 local school children in Great Falls, Williamsport, and Cumberland.

HOW TO DONATE

You will find auction paddles on the tables. When the auction begins, raise your paddle to indicate the amount of your gift and then place it in the auction volunteers' black pots. You can pay tonight at the check-out table beside the bar, where we accept cash, check, or credit card.

**Support Canal Classrooms and help
grow the next generation of
National Park stewards.**

ABOUT THE C&O CANAL TRUST

The C&O Canal Trust is the official nonprofit partner of the C&O Canal National Historical Park, which preserves a 184.5-mile long historic canal and towpath, as well as over 20,000 acres of plants, animals, historic structures, and miles of hiking, biking, boating, and fishing resources.

The C&O Canal Trust works to raise money and community support for a variety of preservation and visitor engagement projects that help to close the Park's budget and staffing gaps.
